

UNIFORM, SCHOOL DRESS, AND MODESTY POLICIES

Calvary Christian Academy requires uniforms for all students, PreK-12. We believe uniforms benefit our school and students in several ways, including creating a spirit of unity, reflecting a professional and modest standard, and establishing a disciplined learning environment. In short, a uniform standard helps us focus on what really matters at CCA - the spiritual and academic growth of our students.

Uniforms are to be worn **on school grounds** and while participating in an official capacity at **school functions** (field trips, athletic events, etc.). Administration can approve exceptions. All uniforms should be purchased through an approved CCA vendor.
